

BLUESTONE OLD ADELAIDE

Split Face Bookleaf Veneers, nominal 25-35mm

Bluestone Old Adelaide bookleaf veneers and corners, add an abundance of character which suits both traditional and contemporary styles. This stone has a rustic look that creates a bold statement ideal for all forms of walling.

This type of stone can be used for a variety of building uses in both residential and commercial designs. Bookleaf stone can be laid dry stack, traditional or with a tight mortar joint. Add Old Adelaide natural stone veneers to your home façade, pillars, fireplace, garden wall or pizza oven to create a point of interest.
