

SANDSTONE SA BASKET RANGE

Textured Random Lengths, 76, 162, 248mm (H) Veneers,
nominal 25-35mm + protrusion

One of our local South Australian natural stone options, this sandstone comes out of the Adelaide Hills. A coarse grain sandstone, this dimpled textured face option slightly mutes the natural colours that exist in the stone.

Basket Range Sandstone is quarried to order, contact us to find out lead times.
