

TRAVERTINE MARBLE OYSTER

Polished 800 x 400 x 20mm Tiles

all sizes available: 800 x 400 x 20 Tiles

This champagne-coloured stone, with its mottled veining seems to have an iridescent quality and it certainly is luxurious. It achieves this luxurious quality in a subtle and somewhat understated way. As with most natural products it can be used in diverse settings, being appropriate in both formal, classic and more relaxed, coastal styles.
